Unit Accident Plan

This brochure describes the Unit Accident Insurance Plan, arranged for you by the Boy Scouts of America which we recommend. Although Scouting programs are designed for safety, accidents may happen. This insurance program is designed to help meet the costs of medical care, paralysis, dismemberment and death. Claims involving medical and surgical treatment are payable on a Primary Excess basis as described in this brochure.

Please review this brochure carefully to learn the facts about the plan, including its benefits and limitations, the enrollment and claim-handling procedures.

Who is to be insured?

■ All registered youth (Tiger Club Den, Cub Pack, Scout Troop, Varsity Team, Venturing Crew) must be insured. Leaders and committeepersons, as a group, may be insured at their option.

■ New Members, Non-scouters and Nonscouters:

■ New members added during the year are automati-

cally covered under this plan until the renewal date without additional premium. This includes leaders and committeepersons, if insured.

■ Nonscouters, Non-scouters and guests attending scheduled activities for the purpose of being encouraged to become registered leaders or Scouts are automatically insured at no additional cost. Other guests are not covered.

What does this insurance cover?

The insurance provides benefits, while the coverage is in force, for injuries to an

Unit Accident Insurance Plan

insured person, anywhere in the world, while:

- Participation in an official Scouting activity. Seasonal camp staff are also covered during their off-duty hours; and

- Traveling to or from an official Scouting activity.

When does the coverage begin?

Coverage becomes effective on the date the enrollment form and annual premium payment are received by *Health Special Risk, Inc.* or at a later date if requested.

What will it cost?

The annual cost is \$.70 for each Tiger Cub and each parent, \$.70 for each Cub, \$1.58 for each Scout and \$2.15 for each Venturer. (Leaders pay the same rate as the unit they represent.) There is a \$20.00 minimum annual premium required to secure coverage.

Premium for youth and leaders is to be calculated on the basis of 100% of the

membership of the unit, using the appropriated rate from above.

What are the benefits?

Benefits for Accidental Death,* Dismemberment and Paralysis

When injuries to the Insured result in death or dismemberment within one year from the date of the covered accident, and from loss which is independent of sickness and all other causes, the Company will pay as follows. In the event of multiple losses or death resulting from any one

As defined in the policy, loss of hand or foot means complete severance. Loss of sight means total, uncorrectable and irrecoverable loss of sight. Severance means the complete separation and dismemberment of the part from the body.

be paid in addition to any other benefit.

■ **Primary Excess Provision**
