

## Introduction

Your challenge as a summer camp merit badge counselor is to see that the Scouts who attend your session have the best opportunity to learn about fishing. It is important that they have a positive experience. This lesson plan is designed to help you plan a logical, high-quality program. You may have to use a slightly different approach in presenting the material based on your camp resources and facilities.

## Resources

Be sure to utilize all the resources available to you. State and federal agencies or other organizations can provide you with a variety of materials and support to help you present the Fishing merit badge program.
